FBINAA 172ND SESSION

Dear Citizens,

The Buffalo Police Department is primarily concerned with crime prevention, criminal apprehension, recovery of lost or stolen property and the control of non-criminal activities.

All activities and efforts of this Department are oriented and directed toward effective and efficient accomplishment of these goals.

With training comes professionalism and self-improvement; with these come effectiveness and efficiency to accomplish Department goals.

It matters not how much training and professionalism achieved, without input from concerned citizens (being our eyes and ears) reporting criminal and suspicious activity in the area. Solving crimes and resolving issues is really difficult.

Partnerships based on mutual respect and trust can lead to the most rewarding results. This is a primary goal. Community Policing assists us working harder together, striving to make the City of Buffalo a safe and wholesome place for our families to live and work.

Feel free to talk with me at anytime as I welcome suggestions you may have and would like visiting with you as to your concerns. Remember this is your police department and we work for you.

Your assistance and cooperation is most sincerely appreciated and I look forward to working with you. Thank you.

Sam Hartsell
Chief of Police
