

Application for Garage Sale Permit

City of Buffalo Code requires any person have a garage sale at their residents to get a permit from City Hall prior to the sale.

There is no fee for the permit but you are restricted to having 3 sales of no longer than 3 days per year.

Fill this form out and return to either dpolston@buffalomissouri.us electronically or drop in either dropbox at City Hall (115 S Maple). We will email you the permit on the next day. Application must be in name of property owner or resident.
